Phoenix Spa & Salon Opens in Blairsville

April 10, 2013, Blairsville, Pa. -- The Phoenix Spa & Salon, formerly the Chestnut Ridge Resort Spa, is now open.

The spa and salon is now managed by Indiana business woman Elizabeth Gregg and spa and salon professional Thaddeus Golonka.

Offering a full menu of services, the Phoenix Spa & Salon's goal is to provide every client with personalized service, expert care and proven treatments for hair and skin.

"Our mission is to have every client leave our spa and salon feeling revived. Our personalized and attentive service provides our clients with a relaxing spa experience," said Ms. Gregg.

Named after the Greek legend Phoenix, the new spa and salon was developed on the tradition of being revived

and rising to a new level of renewal in body, mind and spirit. Each of the services offered is crafted to achieve the ultimate spa experience for everyone.

"With the opening of our new spa and salon, we hope to take the mystery out of the spa business. We would love nothing more than to have people understand the importance of taking time for themselves, learning to relax, and using the spa experience as a necessity and not a luxury," said Thaddeus Golonka.

The Phoenix Spa & Salon features an extensive menu of hair care, skin care and facials, massages and body treatments, and manicures and pedicures. All treatments and services are performed by salon or spa professionals in their respective fields.

"We offer some of the most effective spa treatments including anti-aging treatments, which are designed to leave skin looking and feeling younger and also treatments that can correct and heal various skin ailments. In keeping with our mission that 'spa is for everyone', we offer a variety of treatments for men and a package that is perfect for first time spa goers," added Mr. Golonka.

At the Phoenix Spa & Salon, each client will experience:

- Relaxation. The Phoenix Spa & Salon believes that a spa is for everyone. The spa and salon professionals take the time to understand the client's needs, preferences, and well-being goals to develop an individualized treatment plan.
- Rejuvenation. The Phoenix Spa & Salon staff uses only the finest products and treatment techniques for hair care and skin care. The staff can recommend the proper treatments and services to help clients achieve the desired results for their hair or skin or to reduce stress.

- Renewal. After visiting Phoenix Spa & Salon, clients feel better in body, mind and spirit. The staff educates clients about personal care and well-being treatments while serving as enlightened advisors throughout their spa journey.

"Our goal is to make everyone feel welcome to our spa and salon. We want all of our clients to know the importance of feeling and looking their best by offering them the needed treatments to accomplish their well-being goals, including: stress relief, finding the perfect hairstyle, or solving skin issues like fighting the signs of aging," added Ms. Gregg. "We are committed to working with every client and to ensure that their visit to the Phoenix Spa & Salon is an enjoyable and memorable one – so memorable that they will want to return."
